

PEACE

King David fought many wars and ensured that all his enemies were at his feet. So when Solomon his son took over the throne, he encountered peace and didn't have to fight any more battles but establish God's work. Ask God to fight all your battles and destroy every strongholds in your life so that your future and your next generation will encounter peace. When your battles are done, you'll be able to serve God peacefully and not with pain or anger because all your obstacles are down. Your generation will never have to go to any war but enjoy God's presence.
